

# **SUMMER FEEDING**

Estill County Food Service is participating in the Summer Food Service Program. We provide breakfast and lunch starting the week after school is out and ends the last week in July. We have many locations throughout the county. Contact the Food Service Department for a list of sites providing the meals to find a site that is closest to you. Meals are provided to all children 18 and under and (anyone 18 and older with a disability) without charge and the same for all children regardless of the race, color, national origin, sex, age or disability, and there will be no discrimination in the course of the meal service.

This institution is an equal opportunity provider.
