The District intends to contract for insurance agent services including, but not limited to, brokerage and insurance marketing, account management, and risk management support services.

The contract will be for one year with the option of renewal for up to four (4) additional one-year terms on a year-to-year basis at the mutual agreement of both parties. It is the District’s intent to select the best apparent qualified company or companies to provide these services.

Procurement Process:

The issuance of this Request for Proposal constitutes an invitation to submit a proposal to the District.

The District reserves the right to determine, in its sole and absolute discretion, whether any aspect of a submitted proposal in response to this request sufficiently meets the criteria established, the right to seek clarification from any agent, the right to negotiate with any agent, the right to reject any or all proposals with or without cause, and the right to cancel and/or amend, in part or entirety, the proposal.

The selected insurance agent will submit all required documentation to carriers on behalf of the District in order to obtain coverage and premium quotes. The insurance agent agrees to submit the District’s information to all carriers for which the agent is designated the District’s agent of record. The agent will negotiate with underwriters on behalf of the District. It will submit either a quote or a declination letter to the District from each carrier contacted. Failure to do so may result in immediate termination of the agent of record designation and may void any quotes the agent has already received and/or submitted, thereby giving an opportunity for the newly designated agent of record to obtain a quote.

After insurance is obtained, the agent will issue certificates of insurance, auto identification cards and other program documents as required. The agent will process endorsements and other program changes as required or as requested by the District.
